Student Testimonials

I would like to take this opportunity to thank you for the JHG Texas Nursing Scholarship. I am very honored to be a recipient of this award. After graduation, I look forward to giving back to the DFW community, and hope to work in the emergency department or the intensive care unit of a local hospital. My long-term goal is to get my master's degree and becoming a nurse practitioner.

Alexa Evans

I would like to personally thank you for the difference you have made in my life with your creation of the JHG Texas Nursing Scholarship. Becoming a registered nurse has been a dream of mine since I got the opportunity five years ago to work with incredible nurses at an orthopedic clinic as a patient care tech. I always knew I wanted to go into the medical field, but I was torn on exactly what I wanted to pursue. I was surrounded by amazing nurses who consistently put their patients first and had a true love for nursing. It was during that time that I knew I wanted to make a difference in other's lives just as these nurses had. I admired them for the compassion they had and the way they advocated for their patients. Thank you for helping make this opportunity possible for me!

Payton Jones

I want to express my gratitude for your financial support through the 2019 JHG Texas Nursing Scholarship. I plan to go into pediatrics because I love kids and believe they are our future. My ultimate goal is to be a pediatric nurse practitioner. I am honored that I was chosen because I do not get chosen for many things and am thankful for the opportunity. I hope that this scholarship will continue to be available to help other nursing students who like myself are working hard to achieve their goals.

Zuadh Leos

I am writing to express my sincere gratitude for receiving this honor. Thank you so incredibly much for your generosity. Words cannot describe how grateful I am to you. My success at UTA is completely owed to the generosity of donors like you because without your help, I would not have the amazing opportunity to be here. Seeing the struggles faced by not only my family, but people I have met throughout life, have helped me to realize how much our community needed those who could stand up and be the advocate for the vulnerable and without a voice. Becoming a nurse will allow me to influence the lives of many people in need from all walks of life.

Thank you for providing me with this opportunity to succeed. With your financial assistance, I am able to focus solely on school and my personal health which helps lift the burden off of my shoulders and that of my family. In addition, JHG has provided me with more motivation to work harder in achieving my goals, helping me reach my nursing degree with the grades I want.
