RECIPIENT TESTIMONIALS (continued)

“This scholarship helps me financially finish my nursing degree without any worries about debt. It means the world to me that an organization like JHG Texas would choose me for such a prestigious scholarship. Thank you so much for helping me on my pathway to becoming a nurse!”

- Tiffany Kane

“It is difficult to express the amount of gratitude that I feel and have felt after receiving this special gift. I am truly thankful for your support of my education, and it has motivated me when I needed it most. Your support has boosted my confidence and uplifted me. The donors, families, friends, and representatives that work behind the curtain are often not acknowledged or thanked the way they should be. I realize that people give out of the goodness of their hearts with faith that it will be used for a great purpose, and I know that many people give preference to remain anonymous because they are generous. Therefore, I must take this opportunity to thank you all for your generosity and extend to you my sincere appreciation in every way that I know how. I will do my very best for you. May you be blessed for what you have done and continue to do for others!”

- John Jacob Kassen

I’m incredibly thankful for every bit of help I can get and especially thankful for JHG for seeing my potential. I’m very proud to be a JHG scholar and I can’t wait to meet others in the future.”

- Sasha Cheatham
